Hello,

On behalf of the **Tommy Ellis Memorial Foundation**, I am reaching out to request your support for our upcoming **2nd Annual Tommy Ellis Memorial Golf Tournament**, taking place on **Monday, June 15, 2026**, at Rock Manor Golf Course in Wilmington, DE.

Our foundation was created in honor of my late husband, Tommy, to continue his legacy of supporting student-athletes and families throughout Delaware County. Through scholarships, community programs, and direct assistance, we work to ensure that young people have the opportunities, resources, and encouragement they need to thrive.

As part of our tournament, we will be hosting a **raffle and silent auction**, and we are seeking donated items such as gift cards, baskets, services, merchandise, or experiences. Your contribution would help us raise essential funds while also showcasing your business to a large and engaged community audience.

The Tommy Ellis Memorial Foundation is a registered **501(c)(3)** nonprofit organization. Our **Tax ID is 33-2642277**. All donations are tax-deductible to the extent allowed by law, and we are happy to provide a formal letter of acknowledgment for your records.

Your generosity would make a meaningful impact on the families we serve, and we would be honored to feature your business as a supporter of this year's event.

Thank you for considering this request. If you have any questions or would like to arrange pickup of a donated item, please feel free to contact me by email.

With gratitude,
Stephanie Ellis
Founder, Tommy Ellis Memorial Foundation
